250 Section 9 of the Twenty-First Supplement) may be exchanged for other Bonds of  
251 authorized denominations and having the same Stated Maturity, bearing the same rate of  
252 interest and of like aggregate principal amount as the Bonds surrendered for exchange,

309 the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures

311 deemed to be executed on behalf of the City, notwithstanding that such individuals or  
312 either of them shall cease to hold such offices at the time of delivery of the Bonds to the  
313 initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and  
314 transfers, all as authorized and provided in V.T.C.A., Government Code, Chapter 1201.

316 Supplement, or be valid or obligatory for any purpose, unless there appears on such Bond

322 conclusive evidence, and the only evidence, that such Bond has been certified, registered  
323 and delivered.

324 **SECTION 9: INITIAL BOND(S).** The Bonds shall be initially issued either  
325 (i) as a single fully registered bond in the total principal amount specified in the Pricing

328 bond for each stated maturity in the applicable principal amount and denomination and to  
329 be numbered consecutively from T-1 and upward (the “Initial Bond(s)”). In either case,  
330 the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or the

332 Attorney General of the State of Texas for approval, certified and registered by the Office

333 of the Comptroller of Public Accounts of the State of Texas and delivered to the initial  
334 purchaser(s). Any time after the delivery of the Initial Bond(s), the Paying  
335 Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the  
336 designee thereof, shall cancel the Initial Bond(s) delivered and exchange for the Initial  
337 Bond(s) definitive Bonds of authorized denominations, Stated Maturities, principal  
338 amounts and bearing applicable interest rates for transfer and delivery to the Holders  
339 named at the addresses identified for the Holders; all pursuant to and in accordance with

352 any maturities of the Bonds, are purchased with insurance and any reproduction of an  
353 opinion of counsel) as may be established by the City or determined by the officers  
354 executing such Bonds as evidenced by their execution of the Bonds. Any portion of the  
355 text of any Bonds may be set forth on the reverse of the Bonds, with an appropriate

Principal of this Bond is payable at its Stated Maturity or redemption to the Registered Owner, upon presentation and surrender, at the Designated Payment/Transfer Office of the Paying Agent/Registrar executing the registration certificate appearing on this Bond, or its successor; provided, however, while this Bond is registered to Cede & Co., the payment of principal upon a partial redemption of the principal amount of this Bond may be accomplished without presentation and surrender of this Bond. Interest is payable to the Registered Owner of this Bond (or one or more Predecessor Bonds, as defined in the Twenty-First Supplement) whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the last business day of the month next preceding each interest payment date and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/ Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due. All payments of principal of, premium, if any, and interest on this

402 Bond shall be without exchange or collection charges to the Registered Owner and in any  
403 coin or currency of the United States of America which at the time of payment is legal  
404 tender for the payment of public and private debts.

405 This Bond is one of the series specified in its title issued in the aggregate principal  
406 amount of \$ \_\_\_\_\_ (the "Bonds") for the purpose of refinancing and refunding the  
407 Refunded Obligations (identified and defined in the Twenty-First Supplement), in  
408 conformity with the Constitution and laws of the State of Texas, including V.T.C.A.,  
409 Government Code, Chapter 1207, and pursuant to a Master Ordinance and Twenty-First  
410 Supplement adopted by the City Council of the City, together the Pricing Certificate  
411 executed pursuant thereto (collectively referred to as the "Ordinances").

412 [The Bonds maturing on the dates identified below (the "Term Bonds") are subject  
413 to mandatory redemption prior to maturity with funds on deposit in the Debt Service  
414 Fund established and maintained for the payment of the Bonds in the Master Ordinance,  
415 and shall be redeemed in part prior to maturity at the price of par and accrued interest  
416 thereon to the date of redemption, and without premium, on the dates and in the principal  
417 amounts as follows:

419 The particular Term Bonds of a stated maturity to be redeemed on each redemption  
420 date shall be chosen by lot by the Paying Agent/Registrar; provided, however, that the  
421 principal amount of Term Bonds for a stated maturity required to be redeemed on a  
422 mandatory redemption date may be reduced, at the option of the City, by the principal  
423 amount of Term Bonds of like stated maturity which, at least fifty days prior to the  
424 mandatory redemption date, (1) shall have been acquired by the City at a price not  
425 exceeding the principal amount of such Term Bonds plus accrued interest to the date of  
426 purchase, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have  
427 been redeemed pursuant to the optional redemption provisions appearing below and not  
428 previously credited against a mandatory redemption requirement.

429 The Bonds maturing on and after \_\_\_\_\_, may be redeemed prior to their  
430 Stated Maturities, at the option of the City, in whole or in part in principal amounts of  
431 \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the

432 Paying Agent/Registrar), on \_\_\_\_\_ or on any date thereafter at the redemption price  
433 of par plus accrued interest thereon to the redemption date.]<sup>1</sup>

434 Not less than thirty days prior to a redemption date, the City shall cause a written  
435 notice of such redemption to be sent by United States Mail, first class postage prepaid, to  
436 the registered owners of each Bond to be redeemed at the address shown on the Security  
437 Register and subject to the terms and provisions relating thereto contained in the  
438 Ordinances. If a Bond (or any portion of its principal sum) shall have been called for  
439 redemption and notice of such redemption given, then upon such redemption date such  
440 Bond (or the portion of its principal sum to be redeemed) shall become due and payable,  
441 and interest thereon shall cease to accrue from and after the redemption date therefor,  
442 provided moneys for the payment of the redemption price and the interest on the principal  
443 amount to be redeemed to the date of redemption are held for the purpose of such  
444 payment by the Paying Agent/Registrar.

445 In the event a portion of the principal amount of a Bond is to be redeemed and the  
446 registered owner is someone other than Cede & Co., payment of the redemption price of  
447 such principal amount shall be made to the registered owner only upon presentation and  
448 surrender of such Bond to the Designated Payment/Transfer Office of the Paying  
449 Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any  
450 authorized denominations provided by the Ordinances for the then unredeemed balance  
451 of the principal sum of such Bond or Bonds will be issued to the registered owner,  
452 without charge. If a Bond is selected for redemption, in whole or in part, the City and the  
453 Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the  
454 registered owner within forty-five days of the redemption date; provided, however, such  
455 limitation on transferability shall not be applicable to an exchange by the registered  
456 owner of the unredeemed balance of a Bond redeemed in part.

457 With respect to any optional redemption of the Bonds, unless the Paying  
458 Agent/Registrar has received funds sufficient to pay the principal and premium, if any,  
459 and interest on the Bonds to be redeemed before giving of a notice of redemption, the  
460 notice may state the City may condition redemption on the receipt of such funds by the  
461 Paying Agent/Registrar on or before the date fixed for the redemption, or on the  
462 satisfaction of any other prerequisites set forth in the notice of redemption. If a  
463 conditional notice of redemption is given and such prerequisites to the redemption and  
464 sufficient funds are not received, the notice shall be of no force and effect, the City shall  
465 not redeem the Bonds and the Paying Agent/Registrar shall give notice, in the manner in  
466 which the notice of redemption was given, that the Bonds have not been redeemed.

467 The Bonds are special obligations of the City payable solely from and, together  
468 with the Prior Subordinate Lien Obligations, the Previously Issued Separate Lien

469 Obligations, and Previously Issued Parity Water/Wastewater Obligations currently  
470 Outstanding, equally and ratably secured by a parity lien on and pledge of, the Net  
471 Revenues of the Water/Wastewater System in the manner provided in the Ordinances.  
472 Additionally, the Bonds and Previously Issued Parity Water/Wastewater Obligations  
473 referenced above shall be equally and ratably secured by a parity lien on the funds, if any,  
474 deposited to the credit of the Debt Service Fund and the Reserve Fund in accordance with  
475 the terms of the Ordinances. The Bonds do not constitute a legal or equitable pledge,  
476 charge, lien or encumbrance upon any property of the City or the Water/Wastewater  
477 System, except with respect to the Net Revenues. The Holder of this Bond shall never  
478 have the right to demand payment of this obligation out of any funds raised or to be  
479 raised by taxation.

480 Subject to satisfying the related terms and conditions, the City has reserved the  
481 right to issue additional revenue obligations payable from and equally and ratably secured  
482 by a parity lien on and pledge of the Net Revenues of the Water/Wastewater System, in  
483 the same manner and to the same extent as the Bonds.

484 Reference is made to the Ordinances, copies of which are on file with the Paying  
485 Agent/Registrar, and to all of the provisions of which the Holder by the acceptance of this  
486 Bond assents, for definitions of terms; the description of and the nature and extent of the  
487 security for the Bonds; the properties constituting the Water/Wastewater System; the Net  
488 Revenues pledged to the payment of the principal of and interest on the Bonds; the nature  
489 and extent and manner of enforcement of the lien and pledge securing the payment of the  
490 Bonds; the terms and conditions for the issuance of additional revenue obligations; the  
491 terms and conditions relating to the transfer or exchange of this Bond; the conditions  
492 upon which the Ordinances may be amended or supplemented with or without the  
493 consent of the Holders; the rights, duties, and obligations of the City and the Paying  
494 Agent/Registrar; the terms and provisions upon which the liens, pledges, charges and  
495 covenants made in the Ordinances may be discharged at or prior to the maturity of this  
496 Bond, and this Bond deemed to be no longer Outstanding under the Ordinances; and for  
497 the other terms and provisions contained in the Ordinances. Capitalized terms used in  
498 this Bond have the same meanings assigned in the Ordinances.

499 This Bond, subject to certain limitations contained in the Ordinances, may be  
500 transferred on the Security Register only upon its presentation and surrender at the  
501 Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment  
502 endorsed by, or accompanied by a written instrument of transfer in form satisfactory to  
503 the Paying Agent/Registrar executed by the Registered Owner, or the authorized agent of  
504 the Registered Owner. When a transfer on the Security Register occurs, one or more new  
505 fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing  
506 the same rate of interest and of the same aggregate principal amount will be issued by the  
507 Paying Agent/Registrar to the designated transferee or transferees.

508 The City and the Paying Agent/Registrar, and any agent of either, may treat the  
509 Registered Owner of this Bond whose name appears on the Security Register (i) on the  
510 Record Date as the owner entitled to payment of interest on this Bond, (ii) on the date of  
511 surrender of this Bond as the owner entitled to payment of principal of this Bond at its  
512 Stated Maturity, or its redemption, in whole or in part, and (iii) on any other date as the  
513 owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any  
514 agent of either, shall be affected by notice to the contrary. In the event of non-payment  
515 of interest on a scheduled payment date and for thirty days after such event, a new record  
516 date for such interest payment (a "Special Record Date") will be established by the  
517 Paying Agent/Registrar, if and when funds for the payment of such interest have been  
518 received from the City. Notice of the Special Record Date and of the scheduled payment  
519 date of the past due interest (which shall be fifteen days after the Special Record Date)  
520 shall be sent at least five business days prior to the Special Record Date by United States  
521 Mail, first class postage prepaid, to the address of each Holder appearing on the Security  
522 Register at the close of business on the last business day next preceding the date of  
523 mailing of such notice.

524 It is certified, recited, represented and covenanted that the City is a duly organized  
525 and legally existing municipal corporation under and by virtue of the Constitution and  
526 laws of the State of Texas; that the issuance of the Bonds is authorized by law; that all  
527 acts, conditions and things required to exist and be done precedent to and in the issuance  
528 of the Bonds to render the same lawful and valid obligations of the City have been  
529 properly done, have happened and have been performed in regular and due time, form  
530 and manner as required by the Constitution and laws of the State of Texas, and the  
531 Ordinances; that the Bonds do not exceed any constitutional or statutory limitation; and  
532 that due provision has been made for the payment of the principal of and interest on the  
533 Bonds by a pledge of the Net Revenues of the Water/Wastewater System. In case any  
534 provision in this Bond or any application thereof shall be invalid, illegal, or  
535 unenforceable, the validity, legality, and enforceability of the remaining provisions and  
536 applications shall not in any way be affected or impaired. The terms and provisions of  
537 this Bond and the Ordinances shall be construed in accordance with and shall be  
538 governed by the laws of the State of Texas.

539 IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be  
540 executed under the official seal of the City.

Principal installments of this Bond are payable to the Registered Owner by \_\_\_\_\_ (the “Paying Agent/Registrar”), upon presentation and surrender, at its designated offices in \_\_\_\_\_ (the “Designated Payment/Transfer Office”). Interest is payable to the Registered Owner whose name appears on the “Security Register” maintained by the Paying Agent/Registrar at the close of business on the “Record Date”, which is the last business day of the month next preceding each interest payment date and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/ Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due. 631 **SECTION 11: CRITERIA FOR ISSUANCE OF PARITY WATER/  
632 WASTEWATER OBLIGATIONS.** The City has provided certain criteria and  
633 established certain covenants and agreements in relation to the issuance of Parity  
634 Water/Wastewater Obligations of the Water/Wastewater System pursuant to the Master  
635 Ordinance and Prior Supplements. The Twenty-First Supplement provides for the  
636 authorization, issuance, sale, delivery, form, characteristics, provisions of payment, and  
637 security of the Bonds which are Parity Water/Wastewater Obligations. The Master  
638 Ordinance is incorporated by reference and made a part of the Twenty-First Supplement  
639 for all purposes, except to the extent modified and supplemented by the Prior  
640 Supplements and the Twenty-First Supplement, and the Bonds are declared to be Parity  
641 Water/Wastewater Obligations under the Master Ordinance and Prior Supplements. The  
642 City determines that it will have sufficient funds to meet the financial obligations of the  
643 Water/Wastewater System, including sufficient Net Revenues to pay the Annual Debt  
644 Service Requirements of the Bonds and the Previously Issued Parity Water/Wastewater  
645 Obligations and to meet all financial obligations of the City relating to the  
646 Water/Wastewater System.

647 **SECTION 12: PLEDGE.** Subject to the prior claim and lien on the Net  
648 Revenues of the Water/Wastewater System to the payment and security of the Prior First  
649 Lien Obligations currently Outstanding, including the funding and maintenance of the  
650 special funds established and maintained for the payment and security of such Prior First  
651 Lien Obligations, the Net Revenues of the Water/Wastewater System are pledged to the  
652 payment of the Bonds, and the Bonds, together with the Prior Subordinate Lien  
653 Obligations, the Previously Issued Separate Lien Obligations and the Previously Issued  
654 Parity Water/Wastewater Obligations currently Outstanding, shall be equally and ratably  
655 secured by a parity lien on and pledge of the Net Revenues of the Water/Wastewater  
656 System in accordance with the terms of the Master Ordinance and the Twenty-First  
657 Supplement. Additionally, the Bonds and the Previously Issued Parity Water/Wastewater  
658 Obligations shall be equally and ratably secured by a lien on the funds, if any, deposited  
659 to the credit of the Debt Service Fund and Reserve Fund in accordance with the terms of  
660 the Master Ordinance, the Prior Supplements and the Twenty-First Supplement. It is  
661 ordained that the Parity Water/Wastewater Obligations, and the interest on the Parity  
662 Water/Wastewater Obligations, shall constitute a lien on the Net Revenues of the  
663 Water/Wastewater System and be valid and binding and fully perfected from and after  
664 the date of adoption of the Twenty-First Supplement without physical delivery or transfer  
665 or transfer of control of the Net Revenues, the filing of the Twenty-First Supplement or  
666 any other act, all as provided in V.T.C.A., Government Code, Chapter 1208. The owners  
667 of the Parity Water/Wastewater Obligations shall never have the right to demand  
668 payment out of funds raised or to be raised by taxation, or from any source other than

669 specified in the Master Ordinance, the Prior Supplements and the Twenty-First  
670 Supplement.

671 V.T.C.A., Government Code, Section 1208 applies to the issuance of the Bonds  
672 and the pledge of the Net Revenues of the Water/Wastewater System granted by the City  
673 under this Section 12, and such pledge is valid, effective and perfected. If Texas law is  
674 amended at any time while the Bonds are Outstanding such that the pledge of the Net  
675 Revenues of the Water/Wastewater System granted by the City under this Section 12 is to  
676 be subject to the filing requirements of V.T.C.A., Business & Commerce Code, Chapter  
677 9, then to preserve to the registered owners of the Bonds the perfection of the security  
678 interest in said pledge, the City agrees to take such measures as it determines are  
679 reasonable and necessary under Texas law to comply with the applicable provisions of  
680 V.T.C.A., Business & Commerce Code, Chapter 9, and enable a filing to perfect the  
681 security interest in said pledge to occur.

682 **SECTION 13: DEBT SERVICE FUND.** By reason of the issuance of the  
683 Bonds, the City need not establish any special accounts within the Debt Service Fund and  
684 following the delivery of the Bonds, the City agrees and covenants that in addition to the  
685 deposits for the payment of the Previously Issued Parity Water/Wastewater Obligations  
686 there shall be deposited to the credit of the Debt Service Fund an amount equal to one  
687 hundred percent (100%) of the amount required to fully pay the interest on and principal  
688 of the Bonds falling due on or before each maturity, mandatory redemption date and  
689 interest payment date, and such deposits shall be made in substantially equal monthly  
690 amounts on or before the 14th day of each month beginning on or before the 14th day of  
691 the month next following the month the Bonds are delivered to the Purchasers.

692 The required monthly deposits to the Debt Service Fund for the payment of  
693 principal of and interest on the Bonds shall continue to be made in the manner provided  
694 in this Section until such time as (i) the total amount on deposit in the Debt Service Fund  
695 is equal to the amount required to fully pay and discharge all Parity Water/Wastewater  
696 Obligations then Outstanding or (ii) the Bonds are no longer outstanding, *i.e.*, fully paid  
697 as to principal and interest or all the Bonds have been refunded.

698 Accrued interest received from the Purchasers of the Bonds shall be deposited in  
699 the Debt Service Fund, and shall be taken into consideration and reduce the amount of the  
700 monthly deposits that would otherwise be required to be deposited to the credit of such  
701 Debt Service Fund from the Net Revenues of the Water/Wastewater System.

702 **SECTION 14: RESERVE FUND.** In accordance with the provisions of the Prior  
703 Supplements authorizing the issuance of the Previously Issued Water/Wastewater  
704 Obligations, the Required Reserve Amount is funded with cash and surety bonds issued  
705 by MBIA Insurance Corporation, Financial Security Assurance Inc. (now Assured  
706 Guaranty Municipal Corp.), Ambac Assurance Corporation and XL Capital Assurance

707 Inc. By reason of the issuance of the Bonds, the Required Reserve Amount shall be as  
708 specified in the Pricing Certificate. The Required Reserve Amount allocable to the  
709 Bonds shall be in the amount as specified in the Pricing Certificate will be funded as  
710 provided in the Pricing Certificate. Any draws on the surety bonds or other credit  
711 agreements funding the Required Reserve Amount on which there is available coverage  
712 shall be made on a pro rata basis (calculated by reference to coverage then available  
713 under each such surety bond or credit agreement) after applying available cash and  
714 investments in the Reserve Fund.

715 The Insurance Agreement, if any, will be attached to and approved by the Pricing  
716 Certificate in substantially the form and substance attached to the Pricing Certificate and  
717 approved by the Pricing Officer, together with such changes or revisions as may be  
718 necessary to comply with Texas law, is authorized to be executed by the Pricing Officer  
719 for and on behalf of the City and as the act and deed of this governing body; and the  
720 Insurance Agreement as executed by the Pricing Officer shall be deemed approved by the  
721 City Council and constitute the Insurance Agreement approved.

722 The provisions of Section 8 of the Master Ordinance relating to the Reserve Fund,  
723 particularly paragraphs (b), (c) and (d) thereof, are incorporated by reference and made a  
724 part of the Twenty-First Supplement as if the same were restated in full in this Section,  
725 and to the extent of any conflict between the provisions of said Section 8 and these  
726 provisions with respect to draws on any Credit Agreement and the reinstatement of the  
727 full amount afforded by Credit Agreement, the provisions of the Prior Supplements with  
728 respect to such Credit Agreement and such Credit Agreement shall govern. Furthermore,  
729 in accordance with Section 10(d) of the Master Ordinance, the City Council finds that the  
730 Gross Revenues will be sufficient to meet the obligations of the Water/Wastewater  
731 System, including sufficient Net Revenues to satisfy the Annual Debt Service  
732 Requirements of Parity Water Wastewater Obligations currently Outstanding and the  
733 financial obligations of the City under any Credit Agreement entered into with the above-  
734 named surety bond providers.

735 **SECTION 15: PAYMENT OF BONDS.** On or before the first scheduled  
736 interest payment date, and on or before each subsequent interest payment date and  
737 principal payment date while any of the Bonds are Outstanding, the City shall cause an  
738 amount to be transferred to the Paying Agent/Registrar in immediately available funds  
739 from the Debt Service Fund and Reserve Fund, if necessary, sufficient to pay such  
740 interest on and such principal amount of the Bonds, as shall become due on such dates,  
741 respectively, at maturity or by redemption prior to maturity. The Paying Agent/Registrar  
742 shall destroy all paid Bonds and furnish the City with an appropriate certificate of  
743 cancellation or destruction.

744

745 **SECTION 16: COVENANTS TO MAINTAIN TAX-EXEMPT STATUS.**

746 (a) Definitions. When used in this Section 16, the following terms have the  
747 following meanings:

748 “*Closing Date*” means the date on which the Bonds are first  
749 authenticated and delivered to the Purchasers against payment therefor.

750 “*Code*” means the Internal Revenue Code of 1986, as amended by all  
751 legislation, if any, effective on or before the Closing Date.

752 “*Computation Date*” has the meaning set forth in Section 1.148-1(b)  
753 of the Regulations.

754 “*Gross Proceeds*” means any proceeds as defined in Section  
755 1.148-1(b) of the Regulations, and any replacement proceeds as defined in  
756 Section 1.148-1(c) of the Regulations, of the Bonds.

757 “*Investment*” has the meaning set forth in Section 1.148-1(b) of the  
758 Regulations.

759 “*Nonpurpose Investment*” means any investment property, as defined  
760 in section 148(b) of the Code, in which Gross Proceeds of the Bonds are  
761 invested and which is not acquired to carry out the governmental purposes of  
762 the Bonds.

763 “*Rebate Amount*” has the meaning set forth in Section 1.148-1(b) of  
764 the Regulations.

765 “*Regulations*” means any proposed, temporary, or final Income Tax  
766 Regulations issued pursuant to Sections 103 and 141 through 150 of the  
767 Code, and 103 of the Internal Revenue Code of 1986, which are applicable  
768 to the Bonds. Any reference to any specific Regulation shall also mean, as  
769 appropriate, any proposed, temporary or final Income Tax Regulation  
770 designed to supplement, amend or replace the specific Regulation  
771 referenced.

772 “*Yield*” of (1) any Investment has the meaning set forth in Section  
773 1.148-5 of the Regulations and (2) the Bonds has the meaning set forth in  
774 Section 1.148-4 of the Regulations.

775 (b) Not to Cause Interest to Become Taxable. The City shall not use, permit the  
776 use of, or omit to use Gross Proceeds or any other amounts (or any property the  
777 acquisition, construction or improvement of which is to be financed directly or indirectly

778 with Gross Proceeds) in a manner which if made or omitted, respectively, would cause  
779 the interest on any Bond to become includable in the gross income, as defined in section  
780 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting  
781 the generality of the foregoing, unless and until the City receives a written opinion of  
782 counsel nationally recognized in the field of municipal bond law to the effect that failure  
783 to comply with such covenant will not adversely affect the exemption from federal  
784 income tax of the interest on any Bond, the City shall comply with each of the specific  
785 covenants in this Section.

786 (c) No Private Use or Private Payments. Except as permitted by section 141 of  
787 the Code and the Regulations and rulings thereunder, the City shall at all times prior to  
788 the last Stated Maturity of Bonds:

789 (1) exclusively own, operate and possess all property the acquisition,  
790 construction or improvement of which is to be financed or refinanced  
791 directly or indirectly with Gross Proceeds of the Bonds (including property  
792 financed with Gross Proceeds of the Refunded Obligations), and not use or  
793 permit the use of such Gross Proceeds (including all contractual  
794 arrangements with terms different than those applicable to the general  
795 public) or any property acquired, constructed or improved with such Gross  
796 Proceeds in any activity carried on by any person or entity (including the  
797 United States or any agency, department and instrumentality thereof) other  
798 than a state or local government, unless such use is solely as a member of  
799 the general public; and

800 (2) not directly or indirectly impose or accept any charge or other  
801 payment by any person or entity who is treated as using Gross Proceeds of  
802 the Bonds or any property the acquisition, construction or improvement of  
803 which is to be financed or refinanced directly or indirectly with such Gross  
804 Proceeds (including property financed with Gross Proceeds of the Refunded  
805 Obligations), other than taxes of general application within the City or  
806 interest earned on investments acquired with such Gross Proceeds pending  
807 application for their intended purposes.

808 (d) No Private Loan. Except to the extent permitted by section 141 of the Code  
809 and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the  
810 Bonds to make or finance loans to any person or entity other than a state or local  
811 government. For purposes of the foregoing covenant, such Gross Proceeds are  
812 considered to be “loaned” to a person or entity if: (1) property acquired, constructed or  
813 improved with such Gross Proceeds is sold or leased to such person or entity in a  
814 transaction which creates a debt for federal income tax purposes; (2) capacity in or  
815 service from such property is committed to such person or entity under a take-or-pay,  
816 output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits

817 of ownership, of such Gross Proceeds or any property acquired, constructed or improved  
818 with such Gross Proceeds are otherwise transferred in a transaction which is the  
819 economic equivalent of a loan.

820 (e) Not to Invest at Higher Yield. Except to the extent permitted by section 148  
821 of the Code and the Regulations and rulings thereunder, the City shall not at any time  
822 prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds  
823 in any Investment (or use Gross Proceeds to replace money so invested), if as a result of  
824 such investment the Yield from the Closing Date of all Investments acquired with Gross  
825 Proceeds (or with money replaced thereby), whether then held or previously disposed of,  
826 exceeds the Yield of the Bonds.

827 (f) Not Federally Guaranteed. Except to the extent permitted by section 149(b)  
828 of the Code and the Regulations and rulings thereunder, the City shall not take or omit to  
829 take any action which would cause the Bonds to be federally guaranteed within the  
830 meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

831 (g) Information Report. The City shall timely file the information required by  
832 section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such  
833 other form and in such place as the Secretary may prescribe.

834 (h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in  
835 section 148(f) of the Code and the Regulations and rulings thereunder:

836 (1) The City shall account for all Gross Proceeds (including all  
837 receipts, expenditures and investments thereof) on its books of account  
838 separately and apart from all other funds (and receipts, expenditures and  
839 investments thereof) and shall retain all records of accounting for at least six  
840 years after the day on which the last outstanding Bond is discharged.  
841 However, to the extent permitted by law, the City may commingle Gross  
842 Proceeds of the Bonds with other money of the City, provided that the City  
843 separately accounts for each receipt and expenditure of Gross Proceeds and  
844 the obligations acquired therewith.

845 (2) Not less frequently than each Computation Date, the City shall  
846 calculate the Rebate Amount in accordance with rules set forth in section  
847 148(f) of the Code and the Regulations and rulings thereunder. The City  
848 shall maintain such calculations with its official transcript of proceedings  
849 relating to the issuance of the Bonds until six years after the final  
850 Computation Date.

851 (3) As additional consideration for the purchase of the Bonds by the  
852 Purchasers and the loan of the money represented thereby and in order to

853 induce such purchase by measures designed to insure the excludability of the  
854 interest thereon from the gross income of the owners thereof for federal  
855 income tax purposes, the City shall pay to the United States out of the Debt  
856 Service Fund or its general fund, as permitted by applicable Texas statute,  
857 regulation or opinion of the Attorney General of the State of Texas, the  
858 amount that when added to the future value of previous rebate payments  
859 made for the Bonds equals (i) in the case of a Final Computation Date as  
860 defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent  
861 (100%) of the Rebate Amount on such date; and (ii) in the case of any other  
862 Computation Date, ninety percent (90%) of the Rebate Amount on such  
863 date. In all cases, the rebate payments shall be made at the times, in the  
864 installments, to the place and in the manner as is or may be required by  
865 section 148(f) of the Code and the Regulations and rulings thereunder, and  
866 shall be accompanied by Form 8038-T or such other forms and information  
867 as is or may be required by Section 148(f) of the Code and the Regulations  
868 and rulings thereunder.

869 (4) The City shall exercise reasonable diligence to assure that no  
870 errors are made in the calculations and payments required by paragraphs (2)  
871 and (3), and if an error is made, to discover and promptly correct such error  
872 within a reasonable amount of time thereafter (and in all events within one  
873 hundred eighty (180) days after discovery of the error), including payment to  
874 the United States of any additional Rebate Amount owed to it, interest  
875 thereon, and any penalty imposed under Section 1.148-3(h) of the  
876 Regulations.

877 (i) Not to Divert Arbitrage Profits. Except to the extent permitted by section  
878 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any  
879 time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into  
880 any transaction that reduces the amount required to be paid to the United States pursuant  
881 to Subsection (h) of this Section because such transaction results in a smaller profit or a  
882 larger loss than would have resulted if the transaction had been at arm's length and had  
883 the Yield of the Bonds not been relevant to either party.

884 (j) Elections. The City directs and authorizes the Mayor, Mayor Pro Tem, City  
885 Manager, Chief Financial Officer, Deputy Chief Financial Officer, City Treasurer, or  
886 City Clerk, individually or jointly, to make elections permitted or required pursuant to the  
887 provisions of the Code or the Regulations, as they deem necessary or appropriate in  
888 connection with the Bonds, in the Certificate as to Tax Exemption or similar or other  
889 appropriate certificate, form or document.

890 (k) Bonds Not Hedge Bonds. (1) At the time the original obligations refunded  
891 by the Bonds were issued, the City reasonably expected to spend at least 85% of the

892 spendable proceeds of such original obligations within three years after such obligations  
893 were issued and (2) not more than 50% of the proceeds of the original obligations  
894 refunded by the Bonds were invested in Nonpurpose Investments having a substantially  
895 guaranteed Yield for a period of 4 years or more.

896 (l) Current Refunding. The Refunded Notes and the Series 2004 Refunded  
897 Bonds being refunded by the Bonds constitute a current refunding as the payment and/or  
898 redemption of the Refunded Notes and the Series 2004 Refunded Bonds will occur within  
899 90 days of the delivery of the Bonds.

900 (m) Qualified Advance Refunding. The Bonds will be issued more than 90 days  
901 before the redemption of the Series 2003 Refunded Bonds. The City represents as  
902 follows:

903 (1) The Bonds are the first advance refunding of the Series 2003  
904 Refunded Bonds, within the meaning of section 149(d)(3) of the Code.

905 (2) The Series 2003 Refunded Bonds are being called for  
906 redemption, and will be redeemed not later than the earliest date on which  
907 such bonds may be redeemed.

908 (3) The initial temporary period under section 148(c) of the Code  
909 will end: (i) with respect to the proceeds of the Bonds not later than 30 days  
910 after the date of issue of such Bonds; and (ii) with respect to proceeds of the  
911 Series 2003 Refunded Bonds on the Closing Date if not ended prior thereto.

912 (4) On and after the date of issue of the Bonds, no proceeds of the  
913 Series 2003 Refunded Bonds will be invested in Nonpurpose Investments  
914 having a Yield in excess of the Yield on the Series 2003 Refunded Bonds.

915 (5) The Bonds are being issued for the purposes stated in the  
916 preamble of this Twenty-First Supplement. There is a present value savings  
917 associated with the refunding of the Refunded Bonds. In the issuance of the  
918 Bonds the City has neither: (i) overburdened the tax-exempt bond market by  
919 issuing more bonds, issuing bonds earlier or allowing bonds to remain  
920 outstanding longer than reasonably necessary to accomplish the  
921 governmental purposes for which the Bonds were issued; (ii) employed on  
922 “abusive arbitrage device” within the meaning of Section 1.148-10(a) of the  
923 Regulations; nor (iii) employed a “device” to obtain a material financial  
924 advantage based on arbitrage, within the meaning of section 149(d)(4) of the  
925 Code, apart from savings attributable to lower interest rates and reduced debt  
926 service payments in early years.

927

928                   **SECTION 17: AMENDMENT OF TWENTY-FIRST SUPPLEMENT.**

929           (a)   Required Owner Consent for Amendments.   The owners of a majority in  
930 Outstanding Principal Amount of the Bonds shall have the right from time to time to  
931 approve any amendment to the Twenty-First Supplement which may be deemed  
932 necessary or desirable by the City; provided, however, nothing contained in the Twenty-  
933 First Supplement shall permit or be construed to permit the amendment of the terms and  
934 conditions in the Twenty-First Supplement so as to:

- 935           (1)   Make any change in the maturity of any of the Outstanding Bonds;  
936           (2)   Reduce the rate of interest borne by any of the Outstanding Bonds;  
937           (3)   Reduce the amount of the principal payable on the Bonds;  
938           (4)   Modify the terms of payment of principal of, premium, if any, or interest on  
939 the Outstanding Bonds or impose any conditions with respect to such payment;  
940           (5)   Affect the rights of the owners of less than all of the Bonds then  
941 Outstanding;  
942           (6)   Amend this subsection (a) of this Section; or  
943           (7)   Change the minimum percentage of the principal amount of Bonds  
944 necessary for consent to any amendment;

945  
946 unless such amendment or amendments be approved by the owners of all of the Bonds  
947 affected by the change or amendment then Outstanding.

948           (b)   Notice of Amendment Requiring Consent.   If at any time the City shall  
949 desire to amend the Twenty-First Supplement under this Section, the City shall cause  
950 notice of the proposed amendment to be published in a financial newspaper or journal  
951 published in The City of New York, New York, and a newspaper of general circulation in  
952 the City, once during each calendar week for at least two successive calendar weeks.  
953 Such notice shall briefly set forth the nature of the proposed amendment and shall state  
954 that a copy of the notice is on file with the Paying Agent for the Bonds. Such publication  
955 is not required, however, if notice in writing is given by United States Mail, first class  
956 postage prepaid, to each owner of the Bonds.

957           (c)   Time Period for Obtaining Consent.   If within one year from (i) the date of  
958 the first publication of said notice or (ii) the date of the mailing by the Paying Agent of  
959 written notice to the owners of the Bonds, whichever date first occurs if both methods of  
960 giving notice are used, the City shall receive an instrument or instruments executed by  
961 the owners of at least a majority in Outstanding Principal Amount of the Bonds  
962 consenting to and approving such amendment in substantially the form of the copy of  
963 such instrument on file with each Paying Agent, the governing body of the City may pass  
964 the amendatory ordinance in substantially the same form.

965 (d) Revocation of Consent. Any consent given by the owner of a Bond pursuant  
966 to the provisions of this Section shall be irrevocable for a period of six months from the  
967 date for measuring the one year period to obtain consents noted in paragraph (c) above,  
968 and shall be conclusive and binding upon all future owners of the same Bonds during  
969 such period. At any time after six months from the date for measuring the one year period  
970 to obtain consents noted in paragraph (c) above, such consent may be revoked by the  
971 owner who gave such consent, or by a successor in title, by filing written notice thereof  
972 with the Paying Agent for such Bonds and the City, but such revocation shall not be  
973 effective if the owners of at least a majority in Outstanding Principal Amount of the then  
974 Outstanding Bonds as determined in accordance with this Section have, prior to the  
975 attempted revocation, consented to and approved the amendment.

976 (e) Implementation of Amendment. Upon the passage of any amendatory  
977 ordinance pursuant to the provisions of this Section, the Twenty-First Supplement shall  
978 be deemed to be amended, and the respective rights, duties and obligations of the City  
979 under the Twenty-First Supplement and all the owners of then Outstanding Bonds shall  
980 be determined, exercised and enforced in all respects in accordance with such  
981 amendment.

982 (f) Amendment without Consent. The preceding provisions of this Section  
983 notwithstanding, the City by action of its governing body may amend the Twenty-First  
984 Supplement for any one or more of the following purposes:

985 (1) To add to the covenants and agreements of the City contained in  
986 the Twenty-First Supplement, other covenants and agreements thereafter to  
987 be observed, grant additional rights or remedies to the owners of the Bonds  
988 or to surrender, restrict or limit any right or power reserved in the Twenty-  
989 First Supplement to or conferred upon the City;

990 (2) To make such provisions for the purpose of curing any ambiguity,  
991 or curing, correcting or supplementing any defective provision contained in  
992 the Twenty-First Supplement, or in regard to clarifying matters or questions  
993 arising under the Twenty-First Supplement, as are necessary or desirable and  
994 not contrary to or inconsistent with the Twenty-First Supplement and which  
995 shall not adversely affect the interests of the owners of the Bonds then  
996 Outstanding;

997 (3) To modify any of the provisions of the Twenty-First Supplement  
998 in any other respect whatever, provided that such modification shall be, and  
999 be expressed to be, effective only after all the Bonds outstanding at the date  
1000 of the adoption of such modification shall cease to be outstanding;

1001 (4) To make such amendments to the Twenty-First Supplement as  
1002 may be required, in the opinion of Bond Counsel, to ensure compliance with  
1003 sections 103 and 141 through 150 of the Code and the regulations  
1004 promulgated under and applicable to such sections and regulations;

1005 (5) To make such changes, modifications or amendments as may be  
1006 necessary or desirable to allow the owners of the Bonds to avail themselves  
1007 of a book-entry system for payments, transfers and other matters relating to  
1008 the Bonds, which changes, modifications or amendments are not contrary to  
1009 or inconsistent with other provisions of the Twenty-First Supplement and  
1010 which shall not adversely affect the interests of the owners of the Bonds;

1011 (6) To make such changes, modifications or amendments as may be  
1012 necessary or desirable to obtain or maintain the granting of a rating on the  
1013 Bonds by a Rating Agency or to obtain or maintain a Credit Agreement or a  
1014 Credit Facility; and

1015 (7) To make such changes, modifications or amendments as may be  
1016 necessary or desirable, which shall not adversely affect the interests of the  
1017 owners of the Bonds, in order, to the extent permitted by law, to facilitate the  
1018 economic and practical utilization of interest rate swap agreements, foreign  
1019 currency exchange agreements, or similar types of agreements with respect  
1020 to the Bonds. Notice of any such amendment may be published by the City  
1021 in the manner described in clause (b) of this Section; provided, however, that  
1022 the publication of such notice shall not constitute a condition precedent to  
1023 the adoption of such amendatory ordinance and the failure to publish such  
1024 notice shall not adversely affect the implementation of such amendment as  
1025 adopted pursuant to such amendatory ordinance.

1026 (g) Ownership. For the purpose of this Section, the ownership and other matters  
1027 relating to all Bonds shall be established by the Security Register maintained by the  
1028 Paying Agent. Furthermore, the owner of any Bonds insured as to the payment of  
1029 principal of and interest shall be deemed to be the insurance company providing the  
1030 insurance coverage on such Bonds; provided such amendment to the Twenty-First  
1031 Supplement is an amendment that can be made with the consent of a majority in  
1032 Outstanding Principal Amount of the Bonds and such insurance company is not in default  
1033 with respect to its obligations under its insurance policy.

1034 **SECTION 18: FINAL DEPOSITS; GOVERNMENTAL OBLIGATIONS.**

1035 All or any of the Bonds shall be deemed to be paid, retired and no longer outstanding  
1036 within the meaning of the Twenty-First Supplement when payment of the principal of,  
1037 and redemption premium, if any, on such Bonds, plus interest on the Bonds to the due  
1038 date (whether such due date be by reason of maturity or otherwise) either (i) shall have

1039 been made or caused to be made in accordance with the terms of such Bonds, or (ii) shall  
1040 have been provided by irrevocably depositing with, or making available to, the Paying  
1041 Agent/Registrar, in trust and irrevocably set aside exclusively for such payment,  
1042 (1) money sufficient to make such payment or (2) Government Obligations, certified by  
1043 an independent public accounting firm of national reputation, to mature as to principal  
1044 and interest in such amounts and at such times as will insure the availability, without  
1045 reinvestment, of sufficient money to make such payment, and all necessary and proper  
1046 fees, compensation and expenses of the Paying Agent/Registrar with respect to which  
1047 such deposit is made shall have been paid or the payment thereof provided for the  
1048 satisfaction of the Paying Agent/Registrar. At such time as a Bond shall be deemed to be  
1049 paid under the Twenty-First Supplement, as aforesaid, it shall no longer be secured by or  
1050 entitled to the benefit of the Twenty-First Supplement, the Master Ordinance or a lien on  
1051 and pledge of the Net Revenues of the Water/Wastewater System, and shall be entitled to  
1052 payment solely from such money or Government Obligations.

1053 Any moneys so deposited with the Paying Agent/Registrar, or an authorized  
1054 escrow agent, may at the direction of the City also be invested in Government  
1055 Obligations, maturing in the amounts and at the times as set forth in this Section, and all  
1056 income from all Government Obligations not required for the payment of the Bonds, the  
1057 redemption premium, if any, and interest on the Bonds, with respect to which such  
1058 money has been so deposited, shall be turned over to the City or deposited as directed by  
1059 the City. The City covenants that no deposit will be made or accepted under clause (ii) of

1062 Code of 1986, as amended.

1063 Notwithstanding any other provisions of the Twenty-First Supplement, all money

1073 delivered, a new bond of the same principal amount, maturity, and interest rate, as the  
1074 damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the  
1075 manner provided in this Section. An application for the replacement of damaged,

1080 respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the applicant  
1081 shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction

1094 Bond shall have matured, and no default has occurred which is then continuing in the  
1095 payment of the principal of, redemption premium, if any, or interest on the Bond, the City  
1096 may authorize the payment of the same (without surrender thereof except in the case of a  
1097 damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or  
1098 indemnity is furnished as above provided in this Section. Furthermore, in accordance  
1099 with V.T.C.A., Government Code, Section 1206.022, this Section shall constitute  
1100 authority for the issuance of any such replacement bond without necessity of further  
1101 action by the governing body of the City or any other body or person, and the duty of the  
1102 replacement of such bonds is authorized and imposed upon the Paying Agent/Registrar,  
1103 and the Paying Agent/Registrar shall authenticate and deliver such bonds in the form and  
1104 manner and with the effect, as provided in Section 6 of the Twenty-First Supplement for

1115 reason of time of issuance, sale, or maturity thereof or otherwise for any cause  
1116 whatsoever, except as expressly provided in or permitted by the Twenty-First  
1117 Supplement.

1194 the Bonds within the meaning of the Rule, except that the City in any event will give the  
1195 notice required by subsection (c) of this Section of any Bond calls and defeasance that  
1196 cause the City to be no longer such an “obligated person.”

1197 The provisions of this Section are for the sole benefit of the Holders and beneficial  
1198 owners of the Bonds, and nothing in this Section, express or implied, shall give any  
1199 benefit or any legal or equitable right, remedy, or claim to any other person. The City  
1200 undertakes to provide only the financial information, operating data, financial statements,  
1201 and notices which it has expressly agreed to provide pursuant to this Section and does not  
1202 undertake to provide any other information that may be relevant or material to a complete

1208 UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE  
1209 HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN

1211 FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT  
1212 FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT

1222 this Section may be amended by the City from time to time to adapt to changed  
1223 circumstances resulting from a change in legal requirements, a change in law, or a change  
1224 in the identity, nature, status, or type of operations of the City, but only if (1) the  
1225 provisions of this Section, as so amended, would have permitted an underwriter to  
1226 purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule,  
1227 taking into account any amendments or interpretations of the Rule to the date of such  
1228 amendment, as well as such changed circumstances, and (2) either (a) the Holders of a

The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence in such default, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy provided in this Section shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

1405 an executed counterpart thereof shall accompany the global Bonds deposited with The  
1406 Depository Trust Company.

1407 **SECTION 29: CUSIP NUMBERS.** CUSIP numbers may be printed or typed on  
1408 the definitive Bonds. It is expressly provided, however, that the presence or absence of

1410 the legality thereof and neither the City nor attorneys approving the Bonds as to legality  
1411 are to be held responsible for CUSIP numbers incorrectly printed or typed on the  
1412 definitive Bonds.

1413 **SECTION 30: PAYMENT AND PERFORMANCE ON BUSINESS DAYS.**  
1414 Whenever under the terms of the Twenty-First Supplement or the Bonds, the  
1415 performance date of any provision of the Twenty-First Supplement or the Bonds,  
1416 including the payment of principal of or interest on the Bonds, shall occur on a day other  
1417 than a Business Day, then the performance thereof, including the payment of principal of  
1418 and interest on the Bonds, need not be made on such day but may be performed or paid,  
1419 as the case may be, on the next succeeding Business Day with the same force and effect  
1420 as if made on the date of performance or payment.

1421           **SECTION 31: LIMITATION OF BENEFITS WITH RESPECT TO THE**

1426 person other than the City, the Holders, and the Paying Agent/Registrar, any legal or  
1427 equitable right, remedy, or claim under or by reason of or in respect to the Twenty-First

1438 each Holder appearing in the Security Register at the close of business on the business

1440           In any case where notice to Holders is given by mail, neither the failure to mail  
1441 such notice to any particular Holders, nor any defect in any notice so mailed, shall affect  
1442 the sufficiency of such notice with respect to all other Bonds. Where the Twenty-First  
1443 Supplement provides for notice in any manner, such notice may be waived in writing by  
1444 the Holder entitled to receive such notice, either before or after the event with respect to  
1445 which such notice is given, and such waiver shall be the equivalent of such notice.  
1446 Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such  
1447 filing shall not be a condition precedent to the validity of any action taken in reliance  
1448 upon such waiver.
